It was recommended that Mr. Miller participate in individual therapy twice per month.

On May 6, 2014, probation officer contacted Mr. Miller regarding a drug test that he missed on May 5, 2014. He was instructed to report to the probation office. He reported as instructed and submitted a urine specimen which tested positive for cocaine. Mr. Miller adamantly denied using any illegal substance. Additionally, Mr. Miller was very upset regarding his brother-in-law's suicide (hanging) over the weekend.
